Turf Talk **Rodney Moss, Superintendent**

Well according to the weather people we probably will not see another frost or cold weather. I'm an April 15th guy as far as frost is concerned. If we can get past that date with no frost, I'll be happy. Those covers are begging to be put into storage!

I was able to actually go out and mow some tees and around the greens over the past week. It was a good process to clean them up on top. We plan to mow fairways next.

The greens have survived the winter months really well. Green shoots are popping up everywhere, which a great sign. We have begun mowing on a more regular basis. We have rolled up the covers a couple of times. In the coming weeks topdressing will resume. First we will topdress every couple of weeks, and then every week as it starts to warm up.

The Member/Member is up next on April 8th and 9th. Please participate and support River Ridge.
